Constitution (2018 revision)

Purpose

In the spirit of community living in James Bay, we want to promote the benefits of a local market with the intent to foster the uniqueness of this neighbourhood. The purposes of this society then, are as follows:

- To encourage and develop an awareness of the importance of local agriculture, art and craft.
- To encourage education about the environment, healthy living and organic farming.
- To provide a direct sales outlet in the neighbourhood for locally produced goods including: handcrafted items, art, produce and home prepared foods.
- To provide an atmosphere that encourages community interaction and participation of the neighbourhood.
- To acquire, sell, manage, lease, mortgage, dispose of or otherwise deal with the property the society needs to carry on its various objectives.
- To increase awareness of the benefits of neighbourhood markets.
